A Beacon for the Homeless for Over 30 Years

October 14, 2014

Gail Blout, Selectwoman
Town of Gosnold
P.O. Box 28
Cuttyhunk, MA 02713

Dear Ms. Blout and the Townspeople of Gosnold,

On behalf of our Board of Directors, volunteers, staff and above all, those we serve, we wish to extend our sincere and heartfelt thanks for your most generous donation of the extensive number of light bulbs to Harbor Homes. *Thank you!*

As you may know, Harbor Homes is a non-profit organization established over 30 years ago, whose mission is to provide and facilitate quality residential and supportive services for individuals and families challenged by mental illness and/or homelessness. This includes its Veterans FIRST program, which houses and assists homeless and at-risk veterans and their families for up to two years. Harbor Homes is the largest agency in the Partnership for Successful Living, a collaboration of six local non-profits that provides care and services for New Hampshire's most vulnerable neighbors.

Our Harbor Care Health and Wellness Center, located at 45 High Street in Nashua, provides primary physical and mental health care to homeless and low-income adults and youth, while connecting them to the supports needed to end their bout with homelessness. Within just a few weeks, we will be opening the doors to our greatly expanded, comprehensive patient centered medical home, which will continue to provide not only primary, preventive and behavioral health care, but also vision, dental and audiology services, an inpatient medical and behavioral health respite center, a pharmacy, fitness center, cafeteria and much more.

None of these programs would be possible without your charitable gifts!

If you have questions or would like further information, please visit our website at www.harborhomes.org or our "Partnership for Successful Living" Facebook page. We invite you to participate in a tour of our housing facilities and witness the small miracles that happen each day. Please contact Donna Collins at d.collins@harborhomes.org or (603) 886-3616 x1242 for more information.

From all of us at Harbor Homes, we graciously thank you and wish you all the best in health and happiness!

Sincerely,

Peter Kelleher
President and CEO
